Hello Parents!

We had a great first day at Camp Oaks. **THANK YOU** for your patience as we made our way through the carline this morning and this afternoon. **THE PROCESS WILL BE EXPEDITED** starting tomorrow, Tuesday, now that we have distributed car tags, unloaded upcyleables and everyone knows the process for unloading and getting into their camp groups. Our procedure for the rest of the week, starting **Tuesday morning**, will be to have the sign-in sheet moving before campers disembark from your car.

Breakfast is served beginning at 7:15 am and ends at 7:45 am. In order to begin our exciting lessons plans camp **doors will close promptly at 7:45 am**. This will allow our teachers to transition from breakfast service to their camp groups. As previously announced, children will not be admitted after 8 am unless prior arrangements have been confirmed by the Facilities Manager via email. Facility doors will remain locked to secure our children and to prevent learning disturbances.

Our Teachers and Teacher's Assistants have been working hard to prepare for this immersive Camp experience. If you have questions or concerns at any time, you can contact any member of the administrative team.

We can't wait to see everyone tomorrow at Camp OAKS!

Sincerely,

Prudence Pollard, PhD, MPH
